Fanny Facial

After a Fanny Facial (\$150, 90 minutes) at **Smooth Synergy** (New York City), booty-baring beach time is embarrassment-free. The three-step session begins with an exfoliation using Smooth Synergy's invigorating Papaya Body Scrub, which uses the benefits of papaya to dissolve surface debris, detoxify skin, and clean pores. Next,

Diamond Dynamic Wave microcurrent therapy is performed on the client's backside to help alleviate the appearance of bumps and lumps through a series of positive and negative compressions. Spa-goers end the session with a slimming

full-body bronzing via the SunFX system, which uses a combination of mineral salt bronzers and the cosmetic tanning agent DHA 20 to produce a natural-looking tan. It's the fastest way to a buff, blemish-free bottom. For Smooth Synergy products: (212) 397-0111; www.smoothsynergy.com. For SunFX products: (866) SUNFX-4-U; www.sunfx.us.—J.K.
